- 1.1 These financial regulations govern the conduct of financial management by Keresley Parish Council and may only be amended or varied by resolution of Keresley Parish Council. Financial regulations are one of the parish council's three governing policy documents providing procedural guidance for members and officers. Financial regulations must be observed in conjunction with Keresley Parish Council's standing orders and any individual financial regulations relating to contracts.
- 1.2 Keresley Parish Council is responsible in law for ensuring that its financial management is adequate and effective and that the council has a sound system of internal control which facilitates the effective exercise of the Keresley Parish Council's functions, including arrangements for the management of risk.
- 1.3 Keresley Parish Council's accounting control systems must include measures:

- produces financial management information as required by Keresley Parish Council.

1.10 The accounting records determined by the RFO shall be sufficient to show and explain the council's transactions and to enable the RFO to ensure that any income and expenditure account and statement of balances, or record of receipts and payments and additional information, as the case may be, or management information prepared for Keresley Parish Council from time to time comply with the Accounts and Audit Regulations.

1.11 The accounting records determined by the RFO shall in particular contain:

- entries from day to day of all sums of money received and expended by Keresley Parish Council and the matters to which the income and expenditure or receipts and payments account relate;
- a record of the assets and liabilities of Keresley Parish Council; and
- wherever relevant, a record of the council's income and expenditure in relation to claims made, or to be made, for any contribution, grant or subsidy.
